

SOUTH MILLS.

"The wedding bells are ringing!"

We have had the Dewey craze and now the matrimonial craze is upon us. Cards will be out soon announcing the marriage of some of our most popular young people.

Miss Lilly Tyus and Mr. Frank Tyus, from Deep Creek, Va., are visiting at the home of Mrs. William McCoy.

We are glad to note that Mrs. James Johnson is improving.

The ball game between Sharon and South Mills last Saturday afternoon resulted in favor of the Sharon team, the score being 20 to 18. Mr. Tim Abbott was umpire.

Miss Bessie Riddick, of Hartford, is visiting Miss Margaret Ferebee.

As our popular "medicine man," with the heart affection, goes up the canal bank, (by his special request, we correct a former statement to the effect that he goes once a week. He only goes once in three weeks—though he would like to go every other day!) he meets another "medicine man" who comes to South Mills for his health. Our handsome widow is a specialist in dyspeptic cases—as well as in cases of the heart.

The wedding bells do ring!

Mrs. T. C. Badham, who has been spending the summer in the mountains, will spend several days with Mrs. Ferebee, before returning to her home in Edenton.

The ladies of the Methodist church promise us another good time soon in the form of an oyster supper in Jacobs Hall. The date will be announced later.

Good News For Our Readers.

Who have scrofula taints in their blood, and who has not? Scrofula in all its forms is cured by Hood's Sarsaparilla which thoroughly purifies the blood. This disease, which frequently appears in children, is greatly to be dreaded. It is most likely to affect the glands of neck, which become enlarged, eruptions appear on the head and face, and the eyes are frequently affected. Upon its first appearance, perhaps in slight eruptions or pimples, scrofula should be entirely eradicated from the system by a thorough course of Hood's Sarsaparilla to prevent all the painful and sickening consequences of running scrofula sores which drain the system, sap the strength and make existence utterly wretched.

MUMFORD AND ROSEDALE.

Mr. J. E. J. Warren opened school at Hope Academy Monday morning.

Miss Emma Stokley of Va., was the guest of Miss Edna Jones last week.

Much to the delight of her many friends, Miss Deborah Whitney has returned from Norfolk.

Miss Maggie Williams left us Monday for E. City, where she expects to remain some time as seamstress. We regret to give her up and hope she will return after a few months.

Messrs. C. R. Carver and W. E. Brite, of Norfolk, were visitors here Saturday and Sunday.

Right many of our people at tended the Union meeting at Berea Friday and Saturday.

RUBY.

Can You Tell Why.

You have constant headaches, are nervous and sleepless at night and feel tired in the morning? Your blood isn't carrying the right materials to your nerves and other organs. Begin taking Hood's Sarsaparilla, the great blood enricher, and you will feel better and stronger, will relish your food and enjoy refreshing sleep.

Nausea, indigestion are cured by Hood's Pills.

Glorious News.

Comes from Dr. D. B. Cargile, of Washita, I. T. He writes: "Four bottles of Electric Bitters has cured Mrs. Brewer of scrofula, which had caused her great suffering for years. Terrible sores would break out on her head and face, and the best doctors could give no help; but her cure is complete and her health is excellent." This shows what thousands have proved,—that Electric Bitters is the best blood purifier known. It's the supreme remedy for eczema, tetter, salt rheum, ulcers, boils and running sores. WHEN YOU BUY TURNIP SEEDS

at the most convenient country or village, it is possible that you may get seeds of fine stock and germination, but—has your experience shown that it is likely?

Do you buy seeds from general merchandise stores because you believe that they have the best, or is it because you forget to order them from seedsmen in time, or find letter writing too much trouble? Nobody buys seeds at second or third hand except as a result of forgetfulness or indifference, and if you have been getting yours that way, it is time you were making a change.

It's folly to risk your crops in that fashion. We will sell you "Thoroughbred Turnip Seeds" at fifty cents per lb. and deliver them free at your post or express office.

President Isaac Lewis of Sabina, Ohio, is highly respected all through that section. He has lived in Clinton Co. 75 years, and has been president of the Sabina Bank 20 years. He gladly testifies to the merit of Hood's Sarsaparilla, and what he says is worthy attention. All brain workers find Hood's Sarsaparilla peculiarly adapted to their needs. It makes pure, rich, red blood, and from this comes nerve, mental, bodily and digestive strength.

"I am glad to say that Hood's Sarsaparilla is a very good medicine, especially as a blood purifier. It has done me good many times. For several years I suffered greatly with pains of
